

For ease of making, it is suggested to put the pieces together in numerical and alphabetical order.

2

**Flower Head (Rear)**  
x4

Cut two this way up,  
Cut two flipped.  
Glue all 4 together along side seams  
to create cone shape.

Glue here  
to stick large  
leaves to back  
of flower  
head.

6

**Large Leaf**

Stick 1-2 large leaves to rear of flower head back.

**Petal**

As many as desired. Try to get  
2 layers minimum.

3

Glue here  
to stick to  
side of  
flower head  
back

**Flower Head (Front)**  
x2

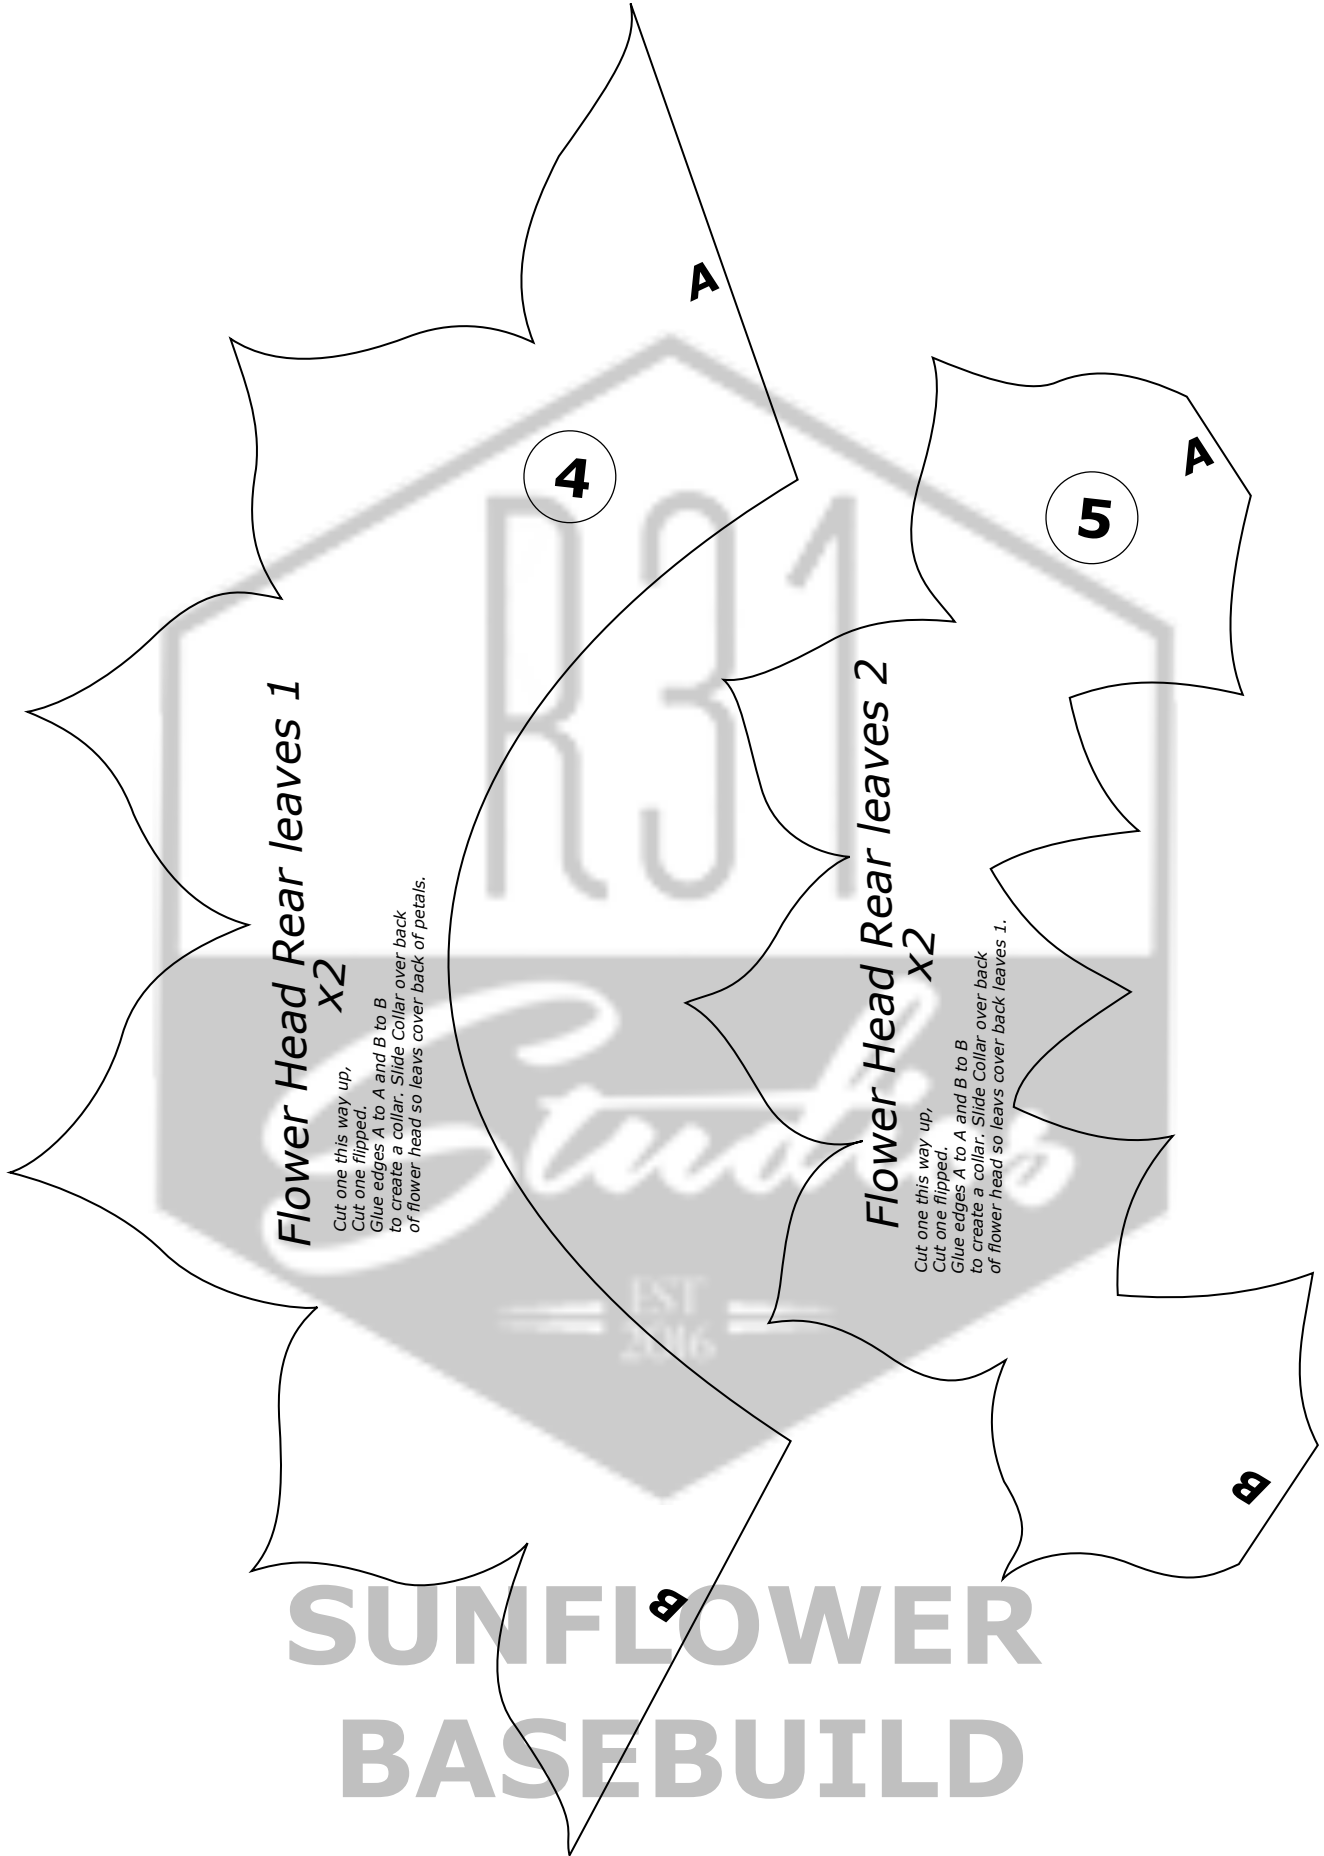

Cut one this way up,  
Cut one flipped.  
Glue together along center seam  
to create dome shape.

Glue flower head front to inside edges of rear cone.

1

For best results, sand and smooth each piece before assembly. Heat shape, score and detail petals and leaves before attaching.
